Report summary and status for pending enforcement actions, permit conditions, Division Orders, and amendments:

The permittee has two pads currently. The largest pad has multiple different pad numbers. Pictures show Pad #4, and #6 but are on one large pad. There are two drill rigs on site. The second rig needs to be set-up. There are 4 drill holes. Three holes broke into mine entries as planned. The fourth hole ended up inside of a pillar which was not planned. The permittee has finished a new road for a new drill pad. The pad is not developed.
